### **OTHER DOCUMENTS**

1. "The Theory and Practice of Industrial Pharmacy" (Lachman, Liberman and Kanig), 3d. edition, published by Lee & Febiger
2. "Softgel (Soft Gelatin Capsule) Update, Robert F. Jimerson, Reprinted from *Drug Development and Industrial Pharmacy* (Interphex '86 Conference) Vol. 12, No. 8 & 9, 1986.

A copy of each document is included for the express purpose of providing the Patent and Trademark Office with ample opportunity to evaluate the same and arrive at an independent assessment of the materiality of each, if any, to the examination of the above-identified application.

In reviewing the enclosed copies of the above documents, the Examiner is instructed to ignore any underscoring or highlighting which may have been done because such markings may

or may not have any relationship to the subject matter of the above-identified application. The copies being submitted with this Information Disclosure Statement are the best copies available at this time.

The identification of any document herein is not intended to be, and should not be understood as being an admission that each such document, in fact, constitutes "prior art" within the meaning of applicable law.

Applicants submit this statement in accordance with their duty of disclosure under 37 C.F.R. §1.56. This statement is filed in accordance with 37 C.F.R. §1.97(b)(3), before the mailing date of a first Office Action on the merits. Therefore, it is believed that as a result of no action being taken on this file as of the filing date of this disclosure, no fee is due by Applicant.

Applicant respectfully requests that the documents cited herein be made of record in the normal manner and that such documents appear on the printed patent as being considered and made of record.

Respectfully submitted,

Date:

Aug 21, 2002

---

Attn Examiner: Please initial if citation considered, whether or not citation is in conformance with MPEP §609. Draw line through citation if not in conformance and not considered. Include copy of this form with next communication to Applicant.

The identification of any document herein is not intended to be, and should not be understood as being an admission that each such document, in fact, constitutes "prior art" within the meaning of applicable law since, for example, a given document may have a later effective date than at first seems apparent or the document may have an effective date which can be antedated. The "prior art" status of any document is a matter to be resolved during prosecution.
